3. RISK WARNING

- The value of investments may fluctuate. The fact that an investment has performed well in the past does not guarantee it will perform well in the future.
- Foreign investments are directly influenced by changes in the exchange rate.

4. NATURE OF THIS INVESTMENT

- This mandate allows you to invest in the qualifying foreign equity instruments you choose:
 - underlying foreign-listed shares
 - foreign listed exchange traded funds
 - foreign listed money market instruments
 - selected foreign unit trust funds
 which we will refer to collectively in this mandate as your investment.

5. INVESTMENT TERM

- You may freely trade any part of your investment at any time.
- We may give you 30 days' notice to redeem the investments and bring the funds back to South Africa if we are required to in terms of South African Reserve Bank requirements

6. INVESTMENT LIQUIDITY

- If you redeem your investment, you will receive the rand equivalent of the market value realised when you disposed of your foreign listed instruments.
- You will receive this amount within seven business days from the settlement date.

7. INVESTMENT LIMITS

- You need at least R100 000 to open an offshore asset swap investment account.
- Because you do not have to use your foreign investment allowances, there is no limit to how much you can invest, provided that PSG Wealth has adequate asset swap facility available.
- PSG Securities may decide whether or not to accept any investment.

8. FEES

- PSG Securities charges:
 - i. a brokerage fee of 1% (subject to a minimum charge of £25 converted to market currency) of the value of shares traded;
 - ii. an exchange conversion fee of 0.50% (excl. VAT) on the conversion of funds with a minimum of R450;
 - iii. a custody and clearing fee of £13 (converted to market currency) per transaction;
 - iv. stamp duty of 0.5% in the UK and Far East, and 1% of stock in Ireland;
 - v. a PTM* levy of £1 per trade over £10 000; and
 - vi. an ongoing administration fee of 1.25% per annum (excl. VAT), which where applicable includes an adviser fee of 0.75% (excl. VAT) of the market value of your offshore asset swap investment portfolio per annum.

* A charge automatically imposed on investors and collected by their brokers when they sell or buy shares with an aggregate value in excess of £10 000. The money raised goes to the Panel of Takeovers and Mergers. The Panel writes and enforces the rules by which takeovers of companies listed on the London Stock Exchange are conducted.
