PSG Funds Platform Administration fee per year	
Initial fee	None
Ongoing fee	0.228%

The Ongoing Platform Administration fees are calculated on the value of your investment portfolios, deductible monthly, on the basis set out by PSG Invest and PSG Life. Where applicable, the full rebate received from the fund manager will be used to reduce the yearly Investment Administration Fee. Excess rebates will be allocated to the investment in the following month, in the form of purchased units.

Retirement Annuities are subject to a R5.00 a month levy.
 Preservation funds are subject to a R18.00 a month levy.

* Funds marked with a single asterisk (*) are not available to investors in the Voluntary Investment Plan wishing to make new investments.
 This restriction does not apply to existing debit orders or new investments into other products.

** The total annual fees marked with a double asterisk (**) are affected by fund performance.
 Further information on these performance fees can be obtained from your Financial Adviser or can be viewed on the relevant unit trust company's website.
