What types of accounts are available?

- Fixed deposits for a variety of time periods:
Interest rates are tiered according to the account balance and the term of the investment. The interest rate is fixed for the duration of the investment.
- Notice deposits:
 - CCM Notice plus deposit: Interest rates are tiered according to account balance, notice period and liquidity percentage selected.
 - Money fund notice deposit: Interest rate is the average of the top four qualifying money market funds, plus a premium of 0.20% or 0.25% based on the notice period, is applied to the Money Fund Notice daily.
- Immediate access accounts
 - Call account: Interest rate is linked to prime, one interest rate applies to all call accounts
 - PrimeSaver: Two tier structure. The premium interest rate is earned from the account minimum up to R25 million. Funds over R25 million will earn the next tiered interest rate (a lower interest rate) receiving a blended rate for the overall balance deposited.
 - Call money fund: The average of the top four qualifying money market funds plus 0.15% is applied to the Call Money Fund daily
- The different accounts have different applicable rates which are kept up to date on our website. [Click here](#) to view the latest rates.

BEFORE YOU DECIDE

Before you decide whether or not to open an account, it is recommended that you consider the following:

1. Compare this account with other products that could also meet your financial needs. These could include other types of money market products such as [unit trusts](#), available from PSG Wealth or other providers.
2. A Key Information Document like this one has to be produced for all financial products to help you make these comparisons. Find Key Information Documents for other products that could suit your needs or ask your financial adviser to get these for you.
3. If you do not have a financial adviser, consider whether an authorised financial adviser could help you to make appropriate financial decisions. If you obtain advice, insist that your adviser gives you proof that he or she is qualified to advise you on this account. You should also get full details of the fees, commission or incentives your adviser will get if you open this account with his or her assistance.

This document is only a high-level summary of the Corporate Cash Manager Cash Investments products. We encourage you to ask further questions. You should also read the detailed terms and conditions for the Corporate Cash Manager Cash Investments products, which you can request from us. You can get more information from your financial adviser or from PSG Wealth directly: email clientservice@psg.co.za, call 0860 477 477 or visit www.psg.co.za.

PSG Wealth offers a range of unit trusts and multi-managed portfolios, each with different underlying instruments. Make sure you read their Minimum Disclosure Documents. These will give you important information on their investment fees, risks and objectives.

Ask PSG Wealth or your financial adviser to give you details on the overall impact of investment fees on your investment over time. Also ask for information on the past performance of the underlying instruments you want to include in your investment, but remember that past performance is not a guarantee of future performance.
