NOTES

Basis of presentation and accounting policies

The results for the six months ended 31 August 2006 have been prepared in accordance with the accounting policies for the year ended 28 February 2006.

Review of results and operations

Over the past six months PSG Konsult has continued to concentrate its efforts on those areas which we believe to be critical in building a profitable and sustainable business. Following the successful merger and integration of Multinet and Topexec, headline earnings increased by 100% from 1.9 cents per share to 3.8 cents per share during the period under review.

Funds under administration increased to R23 billion and PSG Konsult now has 397 financial planners and stockbrokers operating from 168 offices throughout Southern Africa.

In terms of a rights offer the company successfully raised R85 920 398 by the issue of 126 353 526 shares during March 2006.

Acquisitions

During the period under review the group acquired all the share capital in Multinet Makelaars (Pty) Ltd and Topexec Management Bureau (Pty) Ltd (w.e.f. 21 April 2006) for a total purchase price of R180m. Multinet specializes in providing short-term advice and products to its clients while Topexec does the administration services.

An initial payment was made through the issue of 26 205 883 PSG Konsult shares at 68 cents per share and a cash payment of R81.1m. The remaining balance will be settled in 2 instalments, 28 February 2007 and 31 August 2007.

The acquired businesses contributed revenues of R35.9m and a net profit of R10.9m to the group for the period from 21 April 2006 to 31 August 2006. The valuation of the intangible assets acquired is in the process of being finalised. The estimated value of the intangible assets is R58m (consisting of customer relationships and brand names) and goodwill, as a result of expected synergies and the value of the assembled workforce, is R121m.

It was announced in the press on 29 August 2006 that PSG Konsult has acquired Advance Wealth Management for R96.8 million with effect from 1 October 2006, pending the approval by the Competition Commission. We believe that clients will benefit greatly from the acquisition, especially with regard to the broadening and supplementation of professional financial expertise.

The transaction will be paid for by the issue of 38 617 886 PSG Konsult shares and R49.3m in cash.
